

# Coatings

Discover our range of products for the manufacture of coatings.

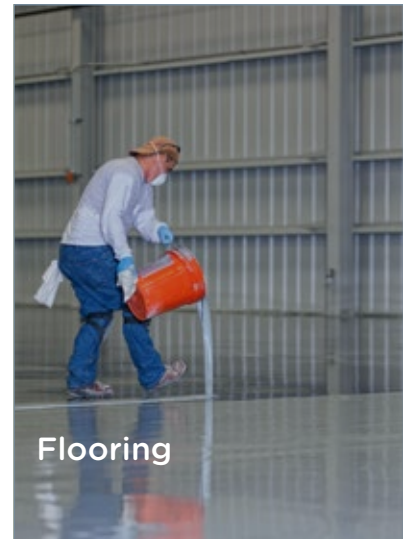

**Specific products for each industry**

Our range of products can be used in different industries.

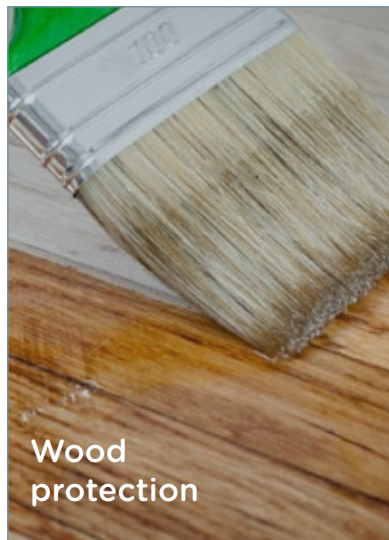

Industrial painting

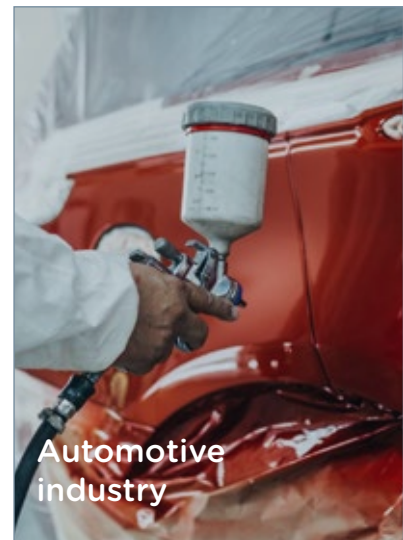

Flooring

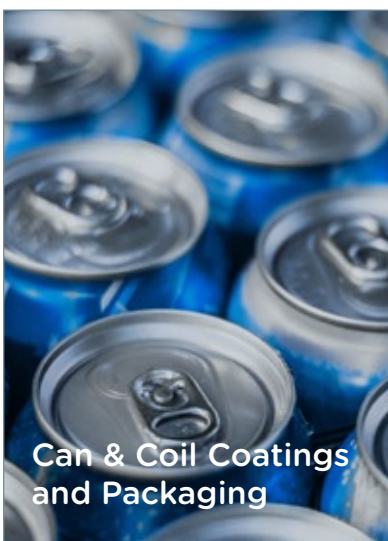

Decorative and architectural painting

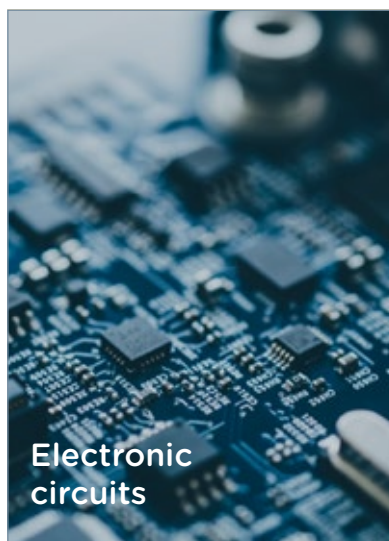

Wood protection

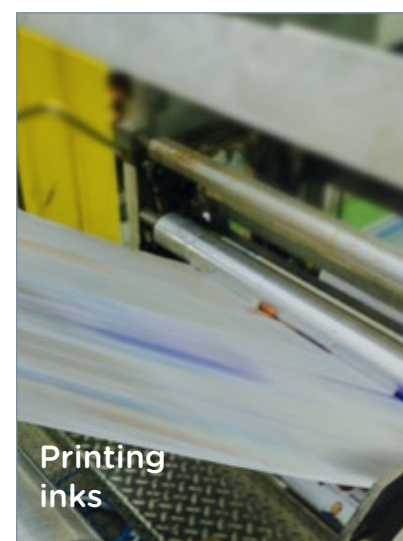

Automotive industry

Can & Coil Coatings and Packaging

Electronic circuits

Printing inks

At Barcelonesa we have been offering our customers a wide range of products for the manufacture of coatings for more than 75 years.

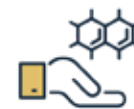

We have the support of several **represented** brands to offer products that meet the highest levels of demand of our customers, both in terms of performance and competitiveness. Below you will find a list of some of the products of the different represented brands that work exclusively with us:

- **Synthron**: formulation additives.
- **United Initiators**: organic peroxides (polymerization catalysts).
- **Spolchemie**: epoxy resins, alkyd resins and hardeners.
- **Bartensid**: proprietary range of surfactants.

#### **We search for new products**

We help you find new products and technologies that you need to include in your production processes.

#### **Wide range of products and solutions**

We offer you a wide range of solutions, as well as our own packaging and tailor-made packaging.

#### **easyB: Technology at your service**

Online customer platform where you can manage orders, check and download documentation as well as search for products.

## OUR PRODUCT RANGE

Family	Products
Additives for Liquid Paints, Varnishes and Printing Inks	Adhesion Promoters
	Anti Flash Rust Additives
	Catalysts
	Conductivity Agents
	Coupling Agents
	Deaerators
	Defoamers
	Dispersants
	Fire Retardants
	Odor Maskers
	Optical Brightener
	pH Controllers
	Rheological Additives
	Stabilizers
	Surface Additives
	Tannin Blockers
	Thickeners
	Wax and Water Repellent Additives
	Wetting agents
Additives for Powder Coatings	Adhesion Promoters
	Catalysts / Hardeners
	Levelers and Flow Agents
	Tribo Additives
Drying agents	Ca 10%
	Co 10%
	Mn 10%
	Zr 18%
Optical Brighteners	Leucophor
	Optiblanc
Organic Peroxides	Benzoyl peroxide
	Tertiary butyl hydroperoxide
Pigments and Fillers	Acethylene black
	Carbon black
	Charges
	Pigments
	Titanium
Plasticizers	DINP
	DOP
	DOTP
	Polyurethane Hardeners

Family	Products
Polyurethanes	Isocyanates
	Polyethers
	Polyol Resins
	Polyols
	Polyurethane Systems
	PTFE (Teflon)
Resins	Acrylic Resins
	Alkyd Resins
	Certified Bio-Based Epoxy Resins (EnviPoxy)
	Epoxy Resins
	Hydrocarbon Resins
	Multi-Component Epoxy Resins
	Polyurethane Resins
	Saturated and Unsaturated Polyester Resins
	Silicon Resins
	Epoxy Hardeners
	Epoxy Reactive Thinners
	Polyester Catalysts
	Alumino silicates (partial substitution of TiO <sub>2</sub> )
	Amorphous Silica (matting agent)
	Precipitated Silica (matting agent / thixotropic agent)
Pyrogenic silica (thixotropic agent)	
Solvents	Acetone
	Benzyl Alcohol
	Butyl Acetate
	Butylglycol
	Dimethylacetamide
	DISOLB (Small format)
	Distilled Water
	Ethyl Acetate
	Ethyl Lactate
	Formaldehyde
	Isopropyl Alcohol
	Methanol
	Methoxy Butanol
	Methoxy Propanol
	Methyl Acetate
	Methyl ethyl ketone
	Methyl Isobutyl Ketone
	N-Methylpyrrolidone
	N-Propanol

**Spolchemie's green range of EnviPoxy resins**

Spolchemie produces epoxy resins made from glycerin-based epichlorohydrin. This reduces the carbon footprint significantly.

Family	Products
	Sodium Hyposulfite Solution
	Tetrahydrofuran
	Ultrapure Water
	Universal Solvent
Other products	Chlorinated Paraffin 52% Chlorinated Paraffin
	Coalescents
	Extenders
	Graphene
	Hexametaphosphate
	Matting agents
	Methyl Methacrylate
	N-Buthyl Methacrylate

## Can't find the product you're looking for?

We love challenges and exploring new horizons. Tell us what product you need and we will find it for you.

At Barcelonesa we are more than just a supplier or chemical specialist.

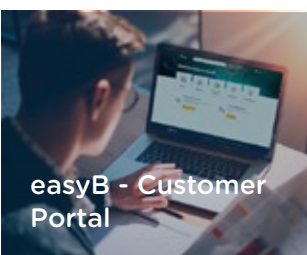

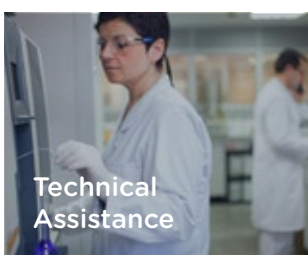

We believe that only by establishing solid and lasting relationships will we be able to grow and advance as a company, as people and as a society. Therefore, our purpose is to collaborate side by side with our customers and partners to guarantee chemical solutions that maximize efficiency, reliability, response and sustainability in all sectors of activity.

<p><b>+50</b> Countries where we generate business</p>	<p><b>+1.600</b> References of products</p>	<p><b>+200K</b> Tons of product moved</p>	<p><b>+350</b> Professionals to provide you solutions</p>	<p><b>+2.000</b> Customers trust us</p>
--	---	---	---	---

We have a large infrastructure of warehouses in several countries. This allows us to distribute our products and services to customers all over the world.

Our headquarters are located in Barcelona and we have complementary warehouses and facilities distributed throughout the Mediterranean arc. Adding together more than 70,000 square meters, a capacity for more than 56,000 pallets and 14,000 cubic meters of liquids.
